

Can We Help?

Community Support Scheme

About the Scheme

Through our Community Support Scheme we provide financial assistance to a wide range of local organisations involved in improving quality of life in Nottinghamshire or Derbyshire. We pride ourselves on being a local society working with and for the benefit of the local community and invite applications from community focused groups in need of financial help. Awards typically range from £100 - £500 within a budget specifically allocated for community support purposes. Applications for assistance, which must include specific details of how any award would be spent, are considered by our community support panel which meets twice yearly in May and November. Our Community Support Scheme panel consists of two senior members of our team, the Chief Executive and the Sales & Marketing Manager (or their nominated deputies) and two independently appointed members who are not employed by the Society.

Sponsorship policy

Our community support panel will only consider applications that benefit the local community and favour projects with an enduring value which:

- Work in partnership with organisations assisting the disadvantaged e.g. the young, the elderly, the disabled or the homeless
- Promote and encourage sporting activity
- Promote and encourage activity in the arts
- Support education and development
- Benefit our environment (e.g. conservation)

We will NOT normally sponsor:

- Individuals
- Party political activities
- Promotion of religious causes
- Activities that benefit animals
- Commercial enterprises
